Cedar Lodge in 2020 and COVID-19

Greetings from Cedar Lodge!

We are excited that you are considering sending your camper to Cedar Lodge for this summer. Our guess is that primary on most parent's minds right now is, "Is Cedar Lodge planning on opening camp in 2020?" The quick answer is "YES!" It was touch and go there for a bit, but we are now firmly set on opening on July 5th. We plan on running for 6 weeks after that with our regular camp ending on August 16th. Then, we will be opening a "horses only" camp that we have named, Platinum Riding Camp. Platinum Camp will be a 2 week commitment for riders and vaulters and will end in a LMHJA horse show for those that chose to participate.

We hope you will let your camper join us. We have done a million hours of preparation for this very special summer with the COVID challenge. We have enacted policies that are directly in line with the CDC and Michigan Camp Licensing that you can read about on our Camp Forms page here:

<https://cedarlodge.com/once-you-are-signed-up-forms/>

And then, we hope to see you and your camper this summer at Cedar Lodge! Our youth need to get outside, have fun and some semblance of a normal kid's summer. We hope we can help you with that.

Happy Camping,

Amy Edwards and the Cedar Lodge Staff
