Greetings to All,

Cedar Lodge is a children's summer camp and recreational facility that offers a variety of activities - swimming, drama, arts/crafts, etc. – as well as a strong riding program. The stable is a year around boarding, training and teaching facility.

We spend many hours preparing for our horse shows to be both a quality Hunter/Jumper Show and a fun time for all our guests. While you are here, food services will be available in our observation room. Several cabins are available for families and stable groups to rent. Weather permitting our swimming beach will be open after the show each evening. Check times for when a lifeguard will be available!
